*"If you need him get
in there and work
him"*

The Southern California DX Club is a group of dedicated men and women active in the amateur radio community who enjoy communicating over the air with other radio amateurs around the world.

The SCDXC strongly supports the DX Code of Conduct. Please visit their website:

www.dx-code.org

The newsletter is published every month and is released to its members about the first of each month. Amateur and DX related letters, news and pictures are welcome and will be published as time and space permit.

Articles may be republished with the recognition of the author and the club. Reuse of copyrighted materials require the original author's permission.

Any questions regarding this newsletter or its articles should be addressed to the editor, Bill:

SCDXC Annual Picnic

Sunday June 9, 2013 at 11:00am

The SCDXC Picnic will be held Sunday, June 9th 11:00 AM, at Woodley Park, Grove 2, in Van Nuys. The club provides hamburgers, hot dogs, chicken, drinks, and paper goods. Bring a side dish and your appetite! Talk in on W6AM/R 145.480 MHz PL 100.00 Hz.

Prizes

We will have our special raffle board for a chance at complete station package (One Drawing). The prize is an Icom 7200. The spots are \$10.00 each. Square sales will begin at the May meeting.

Directions

The location this year is just south of the Donald C. Tillman Water Reclamation Plant. Enter at the entrance of the water reclamation plant. Look for our club signs and banners!

From the south exit the 405 freeway at Burbank, this is the first exit past the 101 freeway. Turn left (West) onto Burbank travel about 3/4 of a mile to Woodley Ave. Turn Right at the stop light and go north about 1/4 of a mile. The entrance to the picnic area and parking lot will be on the right (East) side.

From the north exit the 405 Freeway at Burbank, Turn right (West) onto Burbank travel about 3/4 of a mile to Woodley Ave. Turn Right at the stop light and go north about 1/4 of a mile. The entrance to the picnic area and parking lot will be on the right (East) side.

See you there!

Hello DXers!

Surprise! Arnie Shatz, N6HC is the DXer of the Year for 2012!
Carolyn Jacob, KE6BUH, is the Rookie of the Year winning the Clipperton Award. Congratulations to both.

I want to thank Bob Wilson for all the IDXC pictures.

VICE PRESIDENT'S CORNER

Wayne Spring, W6IRD,
Vice President – SCDXC
W6IRD@scdxc.org

From the VP's Shack

The May meeting's guest speaker will be from JPL to speak on the "Mars Expedition." Plan on attending this meeting, you won't want to miss it. Our club previously had a speaker from JPL who spoke on the "Cassini Expedition." This one should be equally as interesting.

A reminder to all about our club's annual picnic / BBQ. Mark your calendars for the date of June 9th. The location will again be at Woodley Park, Grove 2 and the starting time is 11:00 a.m. There will be great food and super great prizes. The grand-prize board will be available starting at the May meeting. Bring lots of cash if you want to win.

Editor – SCDXC BULLetin

Hello Everybody!

Well another convention is over. I have to say the new venue was great! The only thing missing was the camaraderie. It seemed like everybody left early and went to their rooms at other hotels. That is something that will be addressed next convention.

The prizes were off the hook! The main prize was a complete Elecraft K-Line. Cathy Gardenias, K6VC won it! (*Curse you Red Baroness!*) The breakfast prize was a Flex 6700. Seventeen other prizes ranging from \$800 to \$3000+ filled out the remaining breakfast / Banquet prizes. There were almost 200 hourly prizes ranging from hats and mugs to radios, antennas and power supplies.

The 2014 convention is our year to shine. Keep an eye out on the website for future announcements. One should be there later this week.

Do not forget the meeting! It should be a good one and the June picnic will soon be upon us. It is early in the month, June 9th. So make sure you have your calendar marked Last year Ernie won the prize. I think this year there will be several others who will make a run at it!

The June newsletter will be a little late. Keep those cards and letters coming in!

See you at the meeting!

There is a little competition going on among club members. It was initiated by John, N6QQ. The deal is to see who works the most countries in a calendar year. We are using ClubLog to determine the count. Even if you are not interested in competing it is fun to see where you stand!

SCDXC WAZ and DXCC Standings (N6RV)

The first WAZ column is the confirmed zone count on 10 bands 160 - 6 (less 60 meters). The second column is the regular 5BWAZ confirmed count. The following are the codes that follow the two columns and indicate the awards:

M	Mixed
P	Phone
C	CW
R	RTTY
5	5 Band

The first DXCC column is the confirmed entity count with deleted countries. The second column is the confirmed current entity count.

If you have any information to post please go to the on-line webform and update your standing:

RUMORS ON THE BAND

A plethora of announcements, rumors, and serious DX fun

May is really turning into a DX month! The last big contest of the season is at the end of the month and that means lots of people heading out to their DX haunts for some fun. Join in and see if you can work DXCC in an hour!

The big DX this month is [Mauritania](#), [Maldives](#), [Egypt](#) & my personal favorite, [The Laccadive Islands](#). Hopefully this operation will be more than a dipole and 40 watts.

Here are the ones who will be on for the WPX CW.

Cathy wins the Grand Prize (K6VC)

If you have not heard Cathy Gardenias won the 2013 IDXC Banquet grand prize. It is a complete Elecraft K-Line. This includes a fully loaded K3, the P3 panadapter, and the KPA-500 amplifier. So she set up the station next to the IC-7800 with a switch between the two. Now Carl and Cathy have his and hers stations. I am sure she will let Carl play with it from time to time!

Way to go Cathy! That is the best grand prize yet! We should do the same next year!

Another Big Winner This Time It is for Sale (W6EA)

Brad Enockson. W6EA, won the US Towers MA-40 tubular mast at the banquet. He is looking for someone to bring it home. The asking price is \$1200. It is still at the factory and arrangements to bring it down is the buyers responsibility. If interested let him know at

W6EA@verizon.net

Alpha Needs A Home (W6AQ)

FOR SALE: Alpha 87A. An old one but a good one. Used very little as I have been a QRPer for the past half-dozen years. Many hams, including me, consider the 87A to be the best amplifier ever made. I've decided to simplify my station. This amp has been treated well. I never ran it into the red. Pick up preferred. You may come try it out in Hollywood. Includes original manual, shipping boxes, spare fuses, etc. \$3,850.00 firm. Dave Bell

SCDXC Meeting Location

SCDXC Meets at WEMS Inc. on Rosecrans in Hawthorne. It is very close to the 405 Freeway however the entrance can be missed. The major landmark is the tower with the SteppIR antenna on top.

The driving directions to WEMS, Inc are as follows:

The address is: [4650 West Rosecrans Avenue, Hawthorne, CA. \(South side of street\)](#)

1. Coming South on the I-405 take the second Rosecrans (Rosecrans East) off ramp. At the bottom of the off ramp turn right and proceed to the next traffic light and turn right again on to Rosecrans Avenue. Go under the freeway and proceed East on Rosecrans past Inglewood Avenue. Go 1-1/2 blocks past Inglewood Avenue and make a right turn into the driveway between a one story building and a two story building with a tower and SteppIR antenna. Drive past the gate and park in any open parking space. We will be meeting in the one story building you just drove past. If you get to traffic light East of Inglewood avenue turn around and go back. Look for the antenna.
2. Coming North on the I-405 take the first Rosecrans off ramp (Rosecrans East) and turn right at the bottom of the off ramp onto Rosecrans Avenue. Go 1-1/2 blocks past Inglewood Avenue and make a right turn into the driveway between a one story building and a two story building with a tower and SteppIR antenna. Drive past the gate and park in any open parking space. We will be meeting in the one story building you just drove past. If you get to traffic light East of Inglewood avenue turn around and go back. Look for the antenna
3. Coming West on CA-91 merge on to I-110 South and then North onto the I-405. Once you are Northbound on the I-405 follow the directions in #2 above.
4. Coming West on the I-105 Exit the Hawthorne Blvd. off ramp. At the end of the very long off ramp turn left onto Hawthorne Blvd and proceed South to Rosecrans Avenue. Turn right on Rosecrans Avenue and proceed West. Just past the first traffic light after your turn onto Rosecrans move into the 2-way left turn lane and turn in the driveway between the two story building with tower/antenna and the one story building. As you drive down Rosecrans you should be able to see the tower on the two story building. Drive past the gate and park in any open parking space. We will be meeting in the one story building you just drove past.
5. If you live in the South Bay or Palos Verdes you are on your own.
6. If you would like to try Metro Light Rail, see Mel Hughes for information. WEMS is an easy walk from a Metro Green Line Station, or we can arrange a ride from the station to WEMS.

Pre-Club Meeting Dinner

Club members and visitors often meet before the meeting and enjoy a meal. Lately many of us have been going to #1 Buffet at 14418 Hawthorne Blvd, Lawndale, CA 90260, (310) 644-4007. The restaurant is just South and East of WEMS. Another group meets at the Denny's on the corner of Inglewood Avenue and Rosecrans Avenue. This is stones throw West of WEMS. For those interested in fine dining some of the best restaurants in the South Bay are located on Rosecrans just West between the 405 and Sepulveda (PCH). The Manhattan Beach area is a target rich food environment!
